

Studies In Romans

(Romans 4:1-25)

1. What was Abraham counted unto righteousness for?
2. If works alone could save us, what would that mean about grace?
3. Are you blessed when you try to work your way to Heaven or when you believe in God's forgiveness?
4. Was the promise to Abraham made to him before or after circumcision?

5. Was the promise to Abraham made through the law or through the righteousness of faith?

6. Even when a promise was made to Abraham, against all hope, did he stagger at the promise of God?

7. Was the fact that it was imputed to Abraham for righteousness written for his sake alone?

8. For whom was Jesus delivered to death and why was He raised again?
