

Studies In First Corinthians

(I Corinthians 6:9-13)

1. Will the unrighteous inherit the kingdom of God?
2. While any sin will keep someone from Heaven (Romans 6:23, James 1:13-16, and James 2:10-12), what things did Paul list as acts of unrighteousness?
3. Had those in Corinth led sinless lives prior to obeying the Gospel?

4. Can an action be authorized by the Lord, but not expedient to do?

5. Does the Lord want us putting any spiritual significance on the eating of meats?

6. For what purpose do we have physical bodies?
