

Studies In Romans

(Romans 5:12-21)

1. Was it sin or the consequences of sin that passed on to all men because of Adam's transgression?
2. For sin to be imputed [reckoned; attributed; put on one's account], what needs to be in place?
3. What did all men face, because of Adam, even before Moses gave the Law?
4. It took one man to bring death into the world. How many did it take for grace to come?

5. Is justification unto life possible for all?

6. Did Jesus being obedient to the will of the Father have anything to do with our salvation?

7. What did the entering of the law cause in regard to offenses?

8. Does righteousness have anything to do with grace?
